

*The Graduate Union has regained its charitable status and its credibility, but it is time to take the next step.*

# VOTE ELLIE

FOR G.U. VICE-PRESIDENT

## WHY? I am **EXPERIENCED.**

As *St Catharine's MCR Co-President 2014-15*, I'm an old hand at college and university governance, and know how to represent Cambridge students.

## I am **ORGANIZED.**

As *Head of Design for St Catharine's College May Ball 2014*, I have a proven track record in coordinating big events.

## I am **APPROACHABLE!**

As *St Catharine's JCR Welfare Officer 2011-12*, I am a veteran at helping people with all manner of issues that Cambridge throws at its students.

## And I have **PLANS:**

### ★ **Repair relationships between the GU and the MCR/GP/SBR/etc. committees of Cambridge.**

I will establish strong communication links to ensure that you get what you want from the GU, and that you know where your money is going.

### ★ **Improve the dialogue on academic and teaching support.**

I will establish relationships between the GU and the student subject reps of the faculties and departments to improve academic and teaching support.

### ★ **Expand the social calendar of the GU**

I will set up termly parties and a full freshers/refreshers week to complement college provisions. In addition to the established zumba, yoga and parent-and-child mornings, I will introduce further events for a more graduate clientele. Expect collaborations with the whisky society, Cambridge Gin Lab, rollerdiscos, ceilidhs and much more!
